Program Description:

Every quarter we run the mile and students that have improved on their personal best and students that run it under 6, 7 or 8 minutes all get their names on the 'Wall of Fame'---also titled: Magnificent Middle Schoolers. In addition to the mile, I have recently added Push-up record holders. Each quarter we have a push-up challenge and the students (1 male, 1 female) that do the most get their names on the 'wall'.
